

Come to Jesus©

(David Hampton)

Hummmmmmmmm,
Hmmmmmmmmm, Hummmmmmmmm,
Hmmmmm, Hummm.

(verse)

You go to work each day without a prayer.
You go to bed with each night with a heavy heart.
You live each day each week each year,
Without thanking the one who brought you here,
And you wonder why the world is falling apart.

(verse)

You try to buy your way to happiness,
And all you get is more distress,
Don't you think it's time to bring some love into your world.

(chorus)

Come to Jesus,
Come to your Savior.
Seek the love that comes beyond this life,
The love that lifts you from all strife.
Come to Jesus,
Come to your Lord.

Hummmmmmmmm,
Hmmmmmmmmm, Hummmmmmmmm,
Hmmmmm, Hummm.

(verse)

You don't need a church to say your piece to him.
You just need two knees to thank him for his grace.
No hypocrisy of man gets in the way,
Of all the words inside you want to say.
Move aside the cares inside your heart and give him space.

(chorus)

Come to Jesus,
Come to your Savior.
Seek the love that comes beyond this life,
The love that lifts you from all strife.
Come to Jesus,
Come to your Lord.

Hummmmmmmmm,
Hmmmmmmmmm, Hummmmmmmmm,
Hmmmmm, Hummm, Hmmmmmmmmmmmmmmm.
Come to your Lord.
